Attention Dealer Principals

Effective immediately, RISO is offering an exciting new Inventory Financing Program through Tokai Financial, designed to allow you to purchase one or more of RISO's special Configured Systems while improving your cash flow.

Purchase any complete RISO Configured System, plus additional accessories, and received the following special inventory financing terms:

Total Amount Financed	**Number of Equal Payments**
Net price under $35,000	6 Payments
Net price $35,001 and up	12 Payments

This financing is good on any complete RISO Configured System, as defined on the attached page, **plus any additional accessories** listed on the attached page, when they are purchased in conjunction with a complete configuration. A purchase is considered to be a Configured System if it contains all of the components of one of the defined configurations.

This program is effective through February 26, 1999. Contact your Tokai representative for more information.
